Evaluation:

Course grade will be assessed according to the completion of the following using percentages noted:

Exam, Major Presentations, Major Assignments	60%
Daily Work, Critiques, Class Participation, Quizzes	20%
Final Examination, Career Research Interview	20%

Attendance and Tardy Policy: Students are expected to attend all classes in order to be successful in a course. All students enrolled for this course are expected to attend class regularly, be on time, and remain until dismissed. Roll will be taken at each class meeting. If a student is tardy, he/she must see the instructor after class to have the absence mark removed. The student may be administratively withdrawn from the course when absences become excessive as defined in the course syllabus.

When an unavoidable reason for class absence arises, such as illness, an official trip authorized by the college or an official activity, the instructor may permit the student to make up work missed. It is the student's responsibility to complete work missed within a reasonable period of time as determined by the instructor. Students are officially enrolled in all courses for which they pay tuition and fees at the time of

registration. Should a student, for any reason, delay in reporting to a class after official enrollment, absences will be attributed to the student from the first class meeting.

Students who enroll in a course but have “Never Attended” by the official census date, as reported by the faculty member, will be administratively dropped by the Office of Admissions and Records. A student who does not meet the attendance requirements of a class as stated in the course syllabus and does not officially withdraw from that course by the official census date of the semester, may be administratively withdrawn from that course and receive a grade of “X” or “F” as determined by the instructor. Instructors are responsible for clearly stating their administrative drop policy in the course syllabus, and it is the student’s responsibility to be aware of that policy.

It is the student’s responsibility to verify administrative drops for excessive absences through MySPC using his or her student online account. If it is determined that a student is awarded financial aid for a class or classes in which the student never attended or participated, the financial aid award will be adjusted in accordance with the classes in which the student did attend/participate and the student will owe any balance resulting from the adjustment.

The department abides by this policy and enforces the following guidelines established for SPCH 1321:

For online sections, you MUST attend face-to-face meetings and complete online coursework. If you have more than 1 unexcused absence or miss more than 2 major assignments, you may be dropped from the course.

Make-Up Policy: Make-up work is NOT guaranteed. When an unavoidable reason for class absence arises, such as illness, an official trip authorized by the college or an official activity, the instructor **may** permit the student to make up work missed. If a student must be absent to represent the college, she/he should advise the instructor beforehand and should have a signed permit from his/her coach or sponsor. In such cases, it is the student’s responsibility to complete work missed within a reasonable amount of time as determined by the instructor. Each student must make an appointment with the instructor to make arrangements for make-up work. **Late work may not receive full credit.** An absence on the day that you are scheduled for oral presentations or examinations will result in a grade of zero for the assignment. **If, according to the instructor’s discretion, the student is allowed to make up such a presentation or exam, the student will automatically receive a grade drop for the assignment (25 point grade reduction).**

Course Outcomes: Upon completion of this course, the student should be able to demonstrate proficiency in the following areas:

2. **Communication Systems and Cultures:** Develop an awareness and understanding of communication systems and cultures.
3. **Verbal Communication:** Identify, prepare, and deliver clear messages and presentations.
